*Q.—202. Sri V. S. PATIL (Belgaum).—

Will the Government be pleased to state:—

(*a*) the number of Enumerators, Supervisors, etc., who have been deputed by the Government for the Census purposes in (1) Belgaum Taluk, (2) Khanapur Taluk, (3) Chikodi Taluk, (4) Athani Taluk, (5) Kharwar Taluk, (6) Haliyal Taluk, (7) Supapetha, (8) Bhalki Taluk and (9) Santhapur Taluk ;

(Sri V. S. PATIL)

(*b*) the number of Marathi and Kannada persons among them ;

(*c*) whether they are aware that staunch Kannada persons only have been appointed for this purpose with instructions to increase the number of Kannada population in these Taluks ;

(*d*) what is the percentage of those persons between Marathi and Kannada, and what was the percentage of the population of Marathi and Kannada in these Taluks in 1951 Census ?

A.—Sri B. D. JATTI (Chief Minister).—

(*a*) The statement furnished below gives the number of enumerators and supervisors appointed by the Census Officers.

Name of Taluk.	*Number of Enumerators*	*Number of Supervisors*
Belgaum ...	262	51
Khanapur ...	173	24
Chikodi ...	376	59
Athani ...	Total	... 288
Kharwar ...	159	25
Haliyal ...	145	36
Supa ...	66	7
Bhalki ...	249	36
Santhapur ...	196	25

(*b*) All these Enumerators supervisors knew both Kannada and Marathi languages.

(*c*) No.

(*d*) In view of answers to Clause. (*b*) and (*c*) the percentage of those persons between Marathi and Kannada does not arise.

Information regarding percentage of Marathi and Kannada population in these Taluks as per 1951 Census is not readily available.

Sri V. S. PATIL.—What is the percentage between the persons appionted as Supervisors and Enumerators who Know Marathi and those who know Kannada, or who are Marathi men or Kannada men ?

† Sri B. D. JATTI.—It is very difficult to say whether they are Marathi men or Kannada men ; but I can say that all Supervisors and Enumerators who were appointed, know both Marathi and Kannada.

Sri V. S. PATIL.—Are the Government aware that several complaints have been made against the Supervisors that they tried to change the mother tongue of several people ?

† Indicates that the remarks or speeches have not been revised by the Member concerned.

Sri B. D. JATTI.—If the complaints have been made, naturally they have been received proper authorities and they have been enquired into or they will be enquired into.

Sri V. S. PATIL.—I should like to know whether this Government have come to know about the complaint made against their own servants who were going in the capacity of Supervisors ?

Sri B. D JATTI.—Perhaps, the Hon'ble Member thinks that the entire thing is controlled by us. It is the Government of India that is in control and if complaints are made, they will be taken to Government of India. If we ask, they may give us the information.

Sri V. S. PATIL.—My question is clear. There are complaints and these matters must have been enquired by the Central Government ; I do not dispute that proposition. But, whether this Government has come to know that certain complaints have been made against these Kannada Supervisors for making false entries ?

Sri B. D. JATTI.—Sir, this Government has not received any complaints or report.

Sri G. VENKATAI GOWDA.—May I know as to who gives the instructions to these officials ?

Sri B. D. JATTI.—Census work is done by the Central Government and they must give the instructions.

Sri V. S. PATIL.—Is it not a fact that these Enumerators and Supervisors are servants of this State Government ?

Sri B. D. JATTI.—Some of them are servants of this State and some are servants of Government of India.

Sri B. R. SUNTHANKAR.—When the selection was made for the Supervisors and Enumerators, whether their mother tongue was not taken into consideration ?

Sri B. D. JATTI.—I have replied that and I will repeat it. When they are appointed, Government will not take into consideration their mother-tongue ; they will take into consideration whether they know both Marathi and Kannada.

Sri V. S. PATIL.—Did they take into consideration whether they are staunch Kannadigas or not ?

Sri B. D. JATTI.—Government will only take into consideration whether they know Marathi and Kannda. We do not take into consideration whether they are staunch Kannada people or staunch Marathi people ; we are moderate.

(*Laughter*)

Sri B. R. SUNTHANKAR.—In answer to (*b*). it is stated that the percentage of Marathi and Kannada is not available. May I know whether Government is aware that the Superintendent of the Language Bombay Census 1951 has Published in a Hand Books which gives village by population and percentage of languages ?

Sri B. D. JATTI.—Sir, these books are available for the Hon'ble Member. He can look into them.

Sri B. R. SUNTHANKAR.—I want to know whether Government are aware of it.

Sri B. D. JATTI.—Sir, Government are aware of it and they have looked into it and if any of the Hon'ble Members is interested, he may study it.
